

# KIDS SHOE SIZING GUIDE

We want your OKIEZ shoes to make you & your feet very happy. To help you select the best size, print out this page and follow the tips below.

When printing make sure the scale is set to 100% And "fit to page" is not selected. Place a credit card in the box below.

You can also measure the ruler guides at right to verify size

Only wear socks/tights when measuring if that is how the shoes will be worn. The choice is yours!

Back turned with their heels against a wall. It is best to measure on a hard surface like tile or hardwood floors. For best results, your children should be standing
